

Killer Bourbon Punch

- 750 ml bottle of bourbon
- 1 cup sweet vermouth
- 1/4-1/2 cup sugar (to taste)
- 1/4 cup orange liqueur (Patron Citronge is yummy!)
- 20 dashes of bitters
- 1 cup tart cherry juice (can also use Luxardo cherry liqueur, or Filthy cherry concentrate if that sounds delicious!)
- 2 oranges sliced into wheels and then cut into halves
- 2 cups soda water
- Infused cherries (like Filthy/Bada Bing/Luxordo cherries)

Mix everything together, cover, and put it in the fridge. Serve over ice.
