

Mark's 4-3-2 Margaritas

(These are evil but delicious!)

- 4 parts tequila
- 3 parts triple sec
- 2 parts fresh-squeezed lime juice

Mix it up and shake it up. Serve over ice with salt on the rim.

Depending on the tartness of the lime juice, we sometimes add simple syrup, which is sugar dissolved in an equal part of water. We also sometimes splash some fresh-squeezed orange juice and/or cranberry juice in there.
